Lessons learned as a Pathfinder Coordinator

2. Always keep your passport in your possession and check to make sure you have yours after each check point. It is hard or impossible to get out of a country without your passport.

We should always check our passport to eternal life (heart) and make sure it has the stamp of Jesus Christ in it. Some people think they can get into heaven by using someone else stamp like coming from a great Christian family. Some men may even think they don't have to accept Christ because their wife is such a good Christian. We must have our own passport and be stamped with the acceptance of Jesus Christ or we will never leave this world for heaven.

Kansas City Dream Center Team

Dream Center Construction and Ministry

Faith A/G in Crossville teamed up with TN Pathfinders to conduct a mission's outreach to the Kansas City Dream Center. The first two days the team canvassed the area with flyers and on Sunday the crowds came to the High School Football field to be fed both physically and spiritually. They also distributed over 2000 pieces of clothing. More than 200 people responded to Pastor Brad Oyler's sermon that day. In their spare time they put 850 man hours into remodeling an old two story farm house to be used in the ministry. The team had their farewell meal at the Cracker Barrel and returned home with lots of memories and new friends. Thanks Pastor Pickard for being mission's minded.

1st Annual World Missions MAPS Reunion

The reunion was held in Atlanta, GA April 2-3. Mike was asked to represent Pathfinders. About 200 World Missions MAPS leaders came together to fellowship and listen to Missionaries around the World present their needs.

Mike was listening too and if you are interested in a Silver team to Lome' Togo Africa, Jamaica, Colombia, Serbia, or Lithuania give him a call.

Tennessee District Council

It was a pleasure to be invited to represent Royal Rangers and Pathfinders at the District Council. It looks like Dist. Sup. Eddie Turner is doing a great job of leading Tennessee.

National Royal Ranger Council

Mike attended the RR National Council and was honored to be asked to serve on the National Pathfinder Committee. We hope to make this a banner year for our men and boys and others to serve on the mission's field. If you haven't heard about the Bronze, Silver and Gold Pathfinder Trips, then give Mike a call.
