## Lessons learned as a Pathfinder Coordinator

3. Make sure you have a clean water source or the means to providing a filtered supply. If not, be prepared to get sick and possibly even die.

The Bible tells us that our body is God's temple. We should not only know that we have a good water source but we should be careful of everything else we put into our bodies. This also applies to our mind. Our mind is much like a computer; if we fill it with garbage then we will get garbage out. If we fill our minds with whatsoever is good then that will flow from us also. (Phil. 4:8)

**Cindy and Carrie**

Our baby girl is graduating from high school. We are so proud of her and look forward to what God will do in her life. At the present she plans on attending Columbia State Community College this fall. Pray for her as she enters the next phase of her life.

## Tennessee District Honor Bound Retreat

Dickson, TN was the site for this retreat and the whole town was humming with A/G men. More than 600 men attended the Friday night service and we were honored to hear Denny Duron anointed preaching. Royal Ranger leaders were working everywhere serving and helping with the logistics of this retreat. Great job Rangers!

## Arizona District Council

Mike and Cindy were honored to represent Pathfinders at the Arizona District Council. The Arizona District is grateful for all the hard work Tennessee teams have put into their home missions churches. Charley Odell has been appointed to coordinate teams coming to Arizona and will be very helpful to any church interested in serving. Charley is the uncle to our own Tennessee Pastor Dean Sims.

## Home Missions

Rugby Park, Memphis, Tn. May 13—15 about 20 men answered the call to replace the roof on the Rugby Park Church. Pastor Chappell was pleased with the work and gave Mike an opportunity to present his ministry on Sunday Morning.

## Itineration Trail

We continue to send out letters and travel to meetings across the state raising our support. If we haven't been to your church, **please invite us.**

As of 5/17/04 we have raised 56.5% of our monthly support. Thanks so much for your faithfulness.

## Upcoming Projects:
